

Which do you prefer?

or

☐ Ultra-fresh, high nutritional value

☐ In-season, peak flavor

☐ Natural, benign blemishes

☐ Hand-picked, variety

☐ Supporting local, small farms

☐ 12 mile food transport to destination

☐ Reusable bags, minimal to no packaging

☐ Convenient, carpool pick up

☐ 2+ weeks old, lower nutritive value

☐ Any season, average flavor

☐ Genetically modified, perfect shape/color

☐ Machine picked, standard options

☐ Supporting corporate farm compounds

☐ Average 1,500 mile transport to destination

☐ Plastic, cardboard, styrofoam packaging/bags

☐ Another stop, temptations/unintended purchases
